WATERMEAD WELCOMES...

Facilities are rushing in our direction and we would like to welcome the Watermead Hotel, the Nurserytyme nursery school and the Sports and Leisure Centre.

The Watermead Hotel is offering suite style rooms complete with 3 direct dial telephones (all set for your own DIY chat line) satellite TV, radio, tea & coffee making facilities, trouser press, hair dryer and mini bar as well as en-suite bathrooms. So if you are feeling too jaded after a hard day at the office to take part in the Watermead man-hole and pot-hole rally the you can always spend the night there.

Shortly to open is the Sports and Leisure Centre which will include tennis, swimming pool, jacuzzi, sauna, weight room and many other trimming, slimming, bending facilities which will make you feel so young that you could qualify to get into the nearby nursery school, Nurserytyme.

IS IT MOLES OR WOT .....?

Recent earthworks opposite the Watermead Inn have thrown rumours around the Village. The one about all that fuss just to find Rob's gold Rolex is not true. An anonymous resident was banking on it being an arena where tourists could be thrown to the lions - sorry to disappoint you! A site for a bottle bank would be a good idea with Christmas coming but maybe with interest rates as they are such a large area is not needed. No, the truth is out, it is going to be the next phase of the Village - Watermead Court. (such an imaginative name !!) The sales office have all the details if you want to know more.

## ROYAL MAIL RESIDENT

Committee members have been from pillar to post. There is one thing lacking on Watermead and the situation had to be addressed. Bureaucracy was stamped through, even Penny Black was involved, it wasn't something that only the males could sort out.... YES You have guessed it >>>>>>>

## GARDENING TIPS

### BULBS FOR SPRING

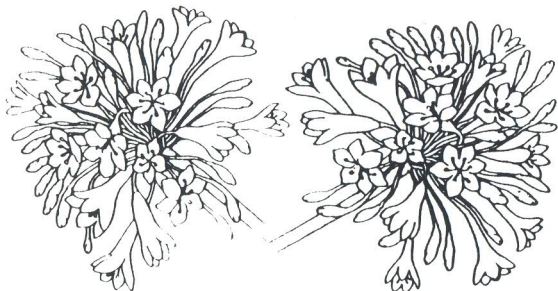

A big bowl of sweet smelling white or yellow polyantha narcissi will flower indoors by Christmas if planted now in bowls of damp fibre. Put away for 2 months in the garage or a dark cupboard. Don't overwater.

### CHRISTMAS ROSES

Hellebores to be correct! - just time to put 2 or 3 plants in a sunny spot to flower before the snowdrops.

### GERANIUMS

Cost a lot to buy every year. Dig up 1 or 2 of your favourites, pot in new compost, prune and keep on a sunny windowsill.

Hedge Trimming

Any other hard work!

### MUCK

Watermead clay needs help - beg, buy or steal a sack or 2 of strawy horse manure and dig it in when the first frosts nip your annuals (ouch!). It will pay off in easier gardening in 1991.

### HERBS

Thyme and mint for next year are better bought and planted now than next spring.

# EATING AND DRINKING

## EATING IN AND AROUND TOWN

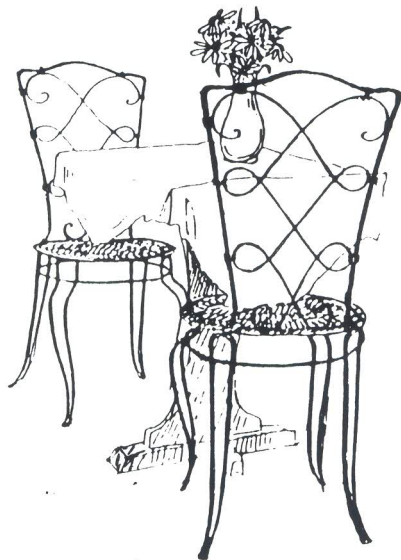

**PETTITS** Wine bar at the bottom of Aylesbury's Market Square is well worth a visit. A relaxed and friendly atmosphere with great food at sensible prices. Fish and vegetarian meals are always available.

**THE CROOKED BILLET** Situated a couple of miles past Waddesden on the A41, it has recently reopened and now boasts interesting lunch and evening menus.

### **CHIQUITOS**

If you have never tried, or are a fan of Mexican food you will not be disappointed. The service is sometimes not as swift as it might be just knock back another jug of Maragita and don't worry. For a fun night out it rates very highly.

For that very special night out **PARIS HOUSE** in Woburn will make an unforgettable evening. Called Paris House because it was part of the Paris Exhibition in 1910 before it was bought to Woburn. A 3 course meal for 2 will cost about £50 without wine but the memories will last forever.

## CHAIRMAN'S REPORT

Firstly I would like to thank our out-going chairman Paul Bergson for a steady hand at the tiller during our first year and thanks to all the residents who turned up to the AGM. Welcome also to all the new committee members and thanks to all the old stalwarts who have stayed on for a second sentence.

The consensus of opinion from the AGM was that the committee should get involved in matters affecting the community as well as organising social events. If there is anything that you want to raise at a committee meeting please contact any of the committee members - a list of all our names, addresses and telephone numbers should have reached you by now. We really do want your involvement - it's your committee. Do you have any ideas for events, big or small ? What about trips to the theatre, a panto or a shopping trip to France? If you come up with the ideas we will help you to promote and organize it.

Well what's coming up on the social scene at Watermead ? The first event is the Bonfire Party on Sunday 4th November. Tickets are only £3 for adults and £1.50 for under 16s. There's a competition for the best poster with the winner getting to light the bonfire. All the posters will be displayed around Watermead and Pennyfarthings. Don't forget to put your name, age and address on the back of your entry. All entries to Rob Ellis at 10 Ayleswater (82205) by 21st October please. Also this year there is a prize for the BEST GUY with the winning guy taking pride of place on the top of the bonfire. If you want to know more or are willing to help please contact Rob Ellis.

Christmas wouldn't be the same without a Carol Evening. This is scheduled for Friday 21st December at 7pm in the Village Hall. Anyone with a good singing voice or musical talents please, please get in touch with us.

There are plans afoot for a New Year's Eve Party (No worries about drinking and driving to see in 1991). The details haven't been fixed yet but any volunteers to help organise it would be very welcome. In view of the size of the hall tickets will be limited so keep your eyes peeled for the flyer giving details.

Both the Bonfire party and the Carol evening were very well supported last year and we hope that we will have your support again this year - in return you will have a great evenings entertainment. The more you support us the more we will try and do for you - it's no fun holding events just for committee members !!

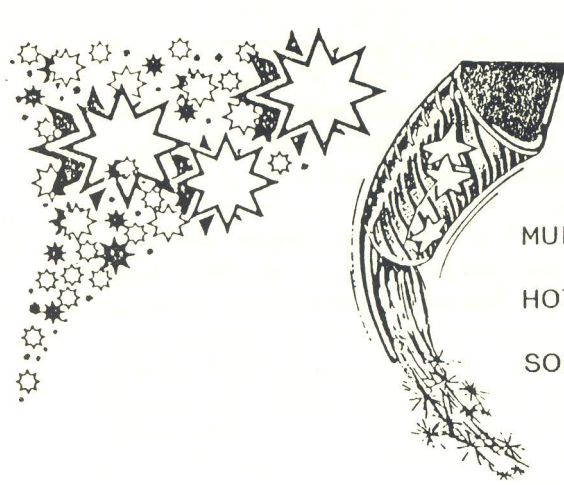

Committee meetings are held every 4 weeks, the next two being on 23rd October and 20th November, so please do try and come up with some ideas. With your help we can make 90/91 a great and fun year for Watermead. Please don't hesitate to contact me.

Kate Selly

Watermead.

P.S.

We hope to produce "BLUSTER" every quarter but again we need your help in writing articles, jokes (however bad), reviews, letters or gossip. I promise you can remain anonymous !!
